

**TECHNICAL - PRACTICAL - KNOWHOW**

## **Kimray™ – Glycol Pump Services**

Glycol Technologies, Inc. provides a full range of:

***Kimray™ Energy Exchange, Glycol Pumps***

**We offer new and fully rebuilt units from large stocks in our Ambridge, PA shop.**

Rebuilt pumps are available as an exchange for your pump or as an out right purchase.

### Our Rebuild Procedure:

- **Bead Blast to remove old paint, scale, rust**
- **Disassemble**
- **Clean All Parts, chemical cleaning and mechanical brushing**
- **Visually Inspect for component damage and verify dimensional tolerances**
- **Disassemble Cylinders, clean and inspect**
- **Rebuild with new “O” rings, backing plates, etc. (Kimray™ O.E.M.)**
- **Reassemble with new rebuild kit (part of base charge) and replace damaged parts as required (extra cost at T&M) (Kimray™ O.E.M.)**
- **Bench Test Pump**
- **Paint**

We offer pickup and drop off service in WV, E. KY, W. PA, & E. OH. **CALL US** for this service and we will get back to you **FAST!** We also stock a wide range of filter cartridges to meet your glycol, gas or other process requirements.
